Postal cards, one cent each. Postal cards are unmailable with any writing or printing on the address side, except the direction, or with anything pasted upon or attached to them.

On local or drop letters, *two cents for each half ounce or fraction thereof.*

Second-Class.—Regular Publications.—This class includes all newspapers, periodicals or matter exclusively in print and regularly issued at stated periods from a known office of publication or news agency. Second-class matter can only be mailed by publishers or newsdealers. Postage two cents a pound or fraction thereof.

Third-Class.—Mail matter of third-class embraces books, (printed,) transient newspapers and periodicals, circulars, proof sheets and corrected proof sheets—with manuscript copy accompanying the same—and all matter of the same general character as above enumerated. The printing upon which is designed to instruct, amuse, cultivate the mind or taste, or impart general information, and postage shall be paid thereon at the rate of one cent for each two ounces or fractional part thereof.

Fourth-Class—All mailable matter not included in the three proceeding classes which is so prepared for mailing as to be easily withdrawn from the wrapper and examined. Rate, one cent per ounce or fraction thereof. Limit of weight four pounds. Full prepayment compulsory.

PERMISSIBLE WRITING.

No writing is permitted on third or fourth-class matter except as follows: The name and address of sender on the outside or inside of package preceded by the word "from." On the wrapper may also be written the names and number of the articles inclosed. The sender is further allowed to mark a word or passage in a book or paper to which he desires to call special attention. He may also write a simple inscription or dedication upon the cover or blank leaves of a book or pamphlet. There may be attached to articles of merchandise, by tag or label, a mark, number, name or letter for purpose of identification. Printed circulars may contain the written name of the sender, or of the addressee, and the date. Any other writing on third and fourth-class matter will subject the package to letter rates of postage, and render the sender liable to a fine of ten dollars for each offence. Printed matter may be inclosed with fourth-class matter, but the whole package is subject to the rate of one cent per ounce or fraction thereof.

RATES OF POSTAGE TO CANADA.

(The Dominion of Canada embraces all the British North American Provinces except Newfoundland.)

Letters and Postal Cards.—Same rates and conditions of prepayment of postage as for domestic letters and postal cards.

Other Matter.—Same rates and conditions as for delivery within the United States, except that merchandise is rigidly excluded. Samples of merchandise are mailable, but they must not exceed eight ounces in weight, and are subject to a postage of ten cents each. They must also be strictly specimens of goods for sale.

RATES OF POSTAGE TO FOREIGN COUNTRIES IN THE POSTAL UNION.

Letters, five cents per half ounce or fraction thereof, (fifteen grams being the postal equivalent of half an ounce.) Postal cards, two cents each. Registration fee, ten cents. Printed matter and samples of merchandise, one cent for each two ounces or fraction thereof. For rates to other foreign countries inquire at Postoffice.

Unmailable.—Liquids, poisons, explosive and inflammable articles, fatty substances easily liquefiable, live or dead animals (not stuffed,) insects (except queen bees when safely secured,) and reptiles, fruits or vegetable matter, confectionery, pastes or confections and substances exhaling a bad odor ; and every letter upon the envelope of which, or postal card upon which, indecent, lewd, obscene or lascivious delineations, epithets, terms or language may be written of printed, and all matter concerning lotteries, so-called gift concerts or other similar enterprises offering prizes, or concerning schemes devised and intended to defraud the public, or for the purpose of obtaining money under false pretences.

All mail matter not prepaid by stamps, all such as are received in the office with stamps cut from Stamped Envelopes, or with such Postage Stamps as were in use prior to 1861, or with Revenue Stamps on them are treated as "unmailable," and are so sent to the Dead Letter Office.

A letter once delivered to any one authorized to receive it, can. if returned immediately, be forwarded without additional postage. Second, third and fourth-class matter and Postal Cards cannot be forwarded without a new prepayment of postage.

CITY DELIVERY.

The public are requested to adopt the house-door letter boxes, the use of which will result in greatly increased rapidity in the delivery of letters. Free delivery of letters by faithful Carriers will be secured by having them plainly addressed to the street and number. No necessity exists for persons calling at the office, as all may have their mail matter left at their residences regularly, without risk or charge. Five deliveries will be made daily by the Letter Carriers, beginning at 7.30 A. M., 10 A. M., 12 M., 2.30 P. M. and 4.30 P. M. in the business sections of the city, and three deliveries at 7.30, 10 A. M. and 2.45 P. M. in all other sections.

COLLECTIONS

Are made daily from the street letter boxes as follows: 1st 6.30 A. M. to 8.30 A. M.; 2d, 12 to 1.45 P. M.; 3d, 7 to 8.45 P. M., except Sunday, when one collection from 3.30 to 8 P. M. is made. Letters are also collected and delivered at the principal hotels.

STAMPED ENVELOPES.

The attention of the public is called to the advantages of using Stamped Envelopes rather Postage Stamps. Daily number of letters are dropped in the Post Office, without prepayment, with Revenue Stamps, and Stamps cut from Stamped Envelopes affixed, which are held for postage ; whereas by the use of Stamped Envelopes, these letters would go forward without delay.

Persons purchasing Stamped Envelopes, of any denomination, in quantities of 500 and upwards, may have their address and request to return in a specified time printed thereon, not to exceed four lines, free of charge. The Department offers unusual inducements to the public in the sale of Stamped Envelopes.
